Dear Pointer Alumni,

I do not believe we have ever sent an email of this nature to our alums. But a random act of violence has sparked a Random Act of Kindness which is characteristic of our Pointer community. Alumni, Students, Parents and Local Businesses are all involved in this effort and we want to be sure that the word gets out to anyone who may wish to help.

A 2010 graduate of PLHS needs our help

Will Barton was critically wounded on Monday night the 29th of October when a fugitive on a rampage shot Will in the head while he was walking to his father's house after getting off work. He has been fighting for his life and the doctors are hopeful he will survive. He has a long road ahead of him and needs our help. Honestly, if any of you have been following this case as it unfolded last week, none of us realized it could actually have happened to one of our kids.

Will Barton went to San Francisco State University and was most recently attending San Diego City College.

Please consider donating to the "Friends of Will Barton Fund." If you can't donate money, consider donating a service or tickets to a game (Chargers, Padres or Aztecs), a timeshare you are not using, a restaurant certificate that you were planning on regifting.

Join us at a **Taco Dinner Fundraiser** the day after Thanksgiving, **Friday November 23**. Many of Will's friends will be home from College then . We will have some great Items at our silent Auction. If you would like to come but are out of town or otherwise busy, you can can send your donation to "Friends of Will Barton Fund."
